Premiums shown are for Term 10, a renewable term life insurance policy that guarantees the premium to remain level for 10 years from the Policy Date. The premiums quoted are based on the age of the insured at issue, the insured's health and specified underwriting classification. Generally, in the absence of fraud, after an amount of insurance has been in effect for two years during the insured's lifetime, we cannot cancel that amount due to a later statement made in the application. In the event of death during the first two policy years by suicide or self-destruction while insured, only the premium paid will be returned at death proceeds. FlexTerm Series VII policies (Form O-78-1 and any state variations) are underwritten and issued by Ohio National Life Insurance Corporation, Cincinnati, Ohio. Commission are based on the claim-paying ability of the issuer. Product, product features and rider availability vary by state. Company not licensed to conduct business and products not distributed in AK, HI and NY. A-0016 Rev. 1-10
