The uncertainties of travel

Traveling abroad can be an exciting experience. But what would happen if you or one of your family members became ill or injured while away from home? International travel can quickly turn frightening if you're not prepared for a medical emergency.

Most travelers assume they will be covered by their standard medical plan. The truth is, while traditional plans may offer adequate domestic coverage, they may not be designed for international travel. Without even realizing it, you may be putting your health - and that of your family - at risk.

What if you are injured or become ill during your trip? Could you get quality treatment at an unfamiliar hospital? How would you deal with the language and currency barriers? What if the treatment you need isn't available nearby? Who do you call? Imagine trying to call your insurance company at 3:00 a.m. from a foreign country during a medical emergency! Will they be there when you need them the most?

You have enough things to worry about when you're traveling. Don't let your medical coverage be one of them. International Medical GroupSM (IMGSM) has developed three Patriot Travel Medical InsuranceSM plans to provide you and your family Coverage Without Boundaries[®]. Each plan offers a complete package of international benefits and 24 hour availability. Simply select the one that best fits your needs.

IMG gives you worldwide coverage experience, impeccable service and international expertise. Don't leave your medical care to chance. Let IMG reduce the uncertainties of international travel for you and your family.

SCHEDULE OF BENEFITS

INTERNATIONAL EMERGENCY CARE

Emergency Evacuation To Policy Maximum when coordinated through IMG

Each Patriot Travel Medical InsuranceSM plan includes coverage for Emergency Medical Evacuations to the nearest qualified medical facility or the country of residence (as determined by IMGSM); expenses for reasonable travel and accommodations resulting from the evacuation; and the cost of returning to either the country of residence or the country where the evacuation occurred, up to the policy limit.

Emergency Reunion To US\$15,000 when coordinated through IMG

Each PatriotSM plan also provides emergency reunion coverage, up to US\$15,000 for a maximum of 15 days, for the reasonable travel and lodging expenses of a relative or friend during an Emergency Medical Evacuation: either the cost of accompanying the insured during the evacuation or traveling from the country of residence to be reunited with the insured.

Repatriation To US\$25,000 when coordinated through IMG

If a covered illness/injury results in death, expenses for Repatriation of bodily remains or ashes to the country of residence will be covered up to a maximum of US\$25,000.

Returning Minor Children To US\$5,000 when coordinated through IMG

If an insured person is hospitalized due to a covered illness/injury and is traveling alone with child(ren) 19 or under that otherwise would be left unattended, the Patriot plans will pay up to US\$5,000 for one way economy fare to their home country, including a chaperone, if necessary, for the safety of the child(ren).

SPECIAL COVERAGES

Home Country Coverage As described below

Incidental Home Country Coverage - During the Period of Coverage an insured person may return to their country of residence for incidental visits up to a cumulative two weeks total, subject to: **a.** The insured person must have left their country of residence, **b.** The total Period of Coverage must be for a minimum of 30 days, and **c.** The return to the country of residence may not be taken to receive treatment for an illness or injury incurred while traveling.

End of Trip Home Country Coverage - For every six months of coverage you purchase, you can purchase one additional month of home country coverage up to a maximum of two months.

Trip Cancellation To US\$5,000

If, during a covered trip, there is a death of an immediate family member (spouse, child, parent or sibling) or the substantial destruction of the insured's principal residence, each Patriot plan will pay to return the insured to the area of principal residence. The plan will pay for a one way air or ground transportation ticket of the same class as the unused travel ticket, less the value of the unused return ticket.

Lost Luggage To US\$50 per item; maximum of US\$250

This benefit will be paid in the event that the Common Carrier permanently loses an insured person's checked luggage. This coverage is secondary to any other available coverage, including the Carrier's.

If accidental death should occur while traveling on a commercial Common Carrier, US\$50,000 will be paid to the designated beneficiary, to a maximum of US\$250,000 per family.

In case of an Emergency Admission, the Precertification call must be made within 48 hours of the admission, or as soon as reasonably possible. All medical expenses must meet usual, reasonable, customary, and eligible payment guidelines.

Note: You may begin the precertification process at our website, www.imglobal.com. Simply click the "Current Clients" title, then click the "Initiate Precertification" option. You will be asked to complete several information fields which can then be submitted electronically to IMG. The Medical Department at IMG will notify you upon receipt of this email. Once we have received this request, our medical team will review the information you have provided and respond to you within 48 business hours. Please note that this online service will only initiate the precertification process, and it should not be used to precertify emergency admissions, procedures or evacuations.
